Dear Mr Josh Guillory, Mayor - President of Lafayette Consolidated Government:

Please review the attached letter addressed to you requesting a release of public records related to the Bayou Vermilion Spoil Bank Project.

We are requesting your records of your administration's compliance with requirements when federal funds are used for projects.

In general, we are requesting correspondence and documents related to wetland, floodplain, and archaeological permits used in compliance with the National Environment Protection Act (NEPA).

We will be sending a more detailed and technical request to publicrecords@lafayettela.gov, the formal address used to submit public records request

We sharing this email with elected officials and the news media.

We remain,

Yours Sincerely,

Lafayette Parish Democratic Executive Committee
